How can I win a felted Grogu figure to go with my limited edition Grogu library card?

To celebrate the limited edition Grogu card design, Denton Public Library is giving away three hand-felted Grogu figures at each library branch. Anyone getting a new Grogu library card or replacing their current DPL card with a Grogu card could be a winner. Stickers have been added to the back of three Grogu cards at each library location. Those specially marked cards have been randomly placed in our stacks of library cards that we give out to new cardholders and patrons needing replacement cards. New and replacement cards are given out only using the top card in each stack. The person who receives one of the three specially marked cards wins a felt Grogu figure. The contest runs Friday, March 3 until the final marked card is given.
